Hi Annette.

We are pleased to provide you with the latest update of Vol 1 and Vol 2 of the Tire Crumb Research Study draft report.

Ex. 5 Deliberative Process (DP)

I suggest we touch base this week to chart a path forward and plan next steps.

Please let us know if you have any questions. Special thanks to Kent for his tireless efforts, our technical editor, and to the EPA team for working to get back edits as requested. Special acknowledgements to Peter and Ashley for heading up the extensive work on Section 5.

Best,

jose
